DuPage Valley Alumnae Newsletter and Calendar

2002-2003

Greetings from the President

With summer winding down and fall just around the corner, it's time to start thinking Alpha Phi. We have a fabulously fun calendar of events for you this year and hope that you can come to as many as possible so you don't miss out!

Alpha Phi's national convention was held in Tucson, AZ this past June and it was wonderful reliving initiation and some of the ceremonies we all hold near and dear to our hearts from our collegiate days. Exec office has put together a ceremonies binder that each collegiate chapter received at convention and that the alumni chapters will receive this fall. It will be a great resource in helping us to keep the traditions of Alpha Phi strong.

Thanks to DuPage Valley Alumnae's support, I participated in the first annual "Move Your Phit" fundraiser held at convention. It was a 5K walk/run around the beautiful grounds of the La Paloma golf course at the base of the Catalina Mountains. It started at 6 a.m. and I walked instead of ran because the temperature at that time of day was already near 90 degrees! (I probably couldn't have made it running all the way anyway, but that's beside the point, right?) Alpha Phi Foundation raised nearly \$12,000 at this one event. Outstanding!

I'm excited to announce that our alumni group received special recognition for our fundraising activities this past biennium. We raised the fourth highest amount of all alumni groups in the nation. That's something to be proud of! I'll be sharing the certificate with everyone at our kickoff meeting in September. Hope to see you there!

AOE,
Arlene Bettin
